or call the Catholic Schools Office at 602-354-2345

Night of Hope

Dear Friend of Catholic Education,

Because Catholic education is vital to the future of our Church, the Diocese of Phoenix is committed to maintaining its network of strong, thriving, faith-filled Catholic school communities. To that end, Night of Hope was created eleven years ago both to celebrate Catholic education and to ensure its continuation. We invite you to join us on November 17 for what promises to be another great celebration.

This year, as the Diocese of Phoenix prepares to kick off its 50th anniversary celebration in December, we are honoring the 26 Irish priests—living and deceased—who were instrumental in establishing and keeping the ministry of Catholic education alive in Arizona. The legacy of these men, who helped to build the very community of faith we all share today, lives on in the hundreds of thousands of young men and women whose lives have been enriched by their Catholic education.

Please consider honoring these men and their efforts by being a sponsor for the eleventh annual Night of Hope on Saturday, November 17, where we will celebrate their countless contributions to our Diocese while working toward making Catholic education available to those who truly want to bring up their children in a loving, faith-filled environment. With your support, we can achieve that goal.

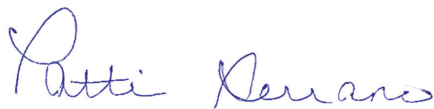

The proven impact of Catholic education is undeniable. The primary focus of Catholic schools is the total child—mind, body, and spirit—and our message is one of love, hope, and responsibility. In the Diocese of Phoenix, we educate more than 15,000 students in 7 high schools, 29 elementary schools (25 with preschools) and 5 stand-alone preschools.

The attached information provides details on sponsorship opportunities, as well as instructions on reserving your table for the evening. Your generosity will be acknowledged throughout the event.

Your tax-deductible gift ensures that Catholic education in the Diocese of Phoenix will continue the tradition of producing young men and women who understand the responsibility they have been given to become the leaders of tomorrow. Please know that your support will make a difference today and well into the future.

If you have any questions or need additional information, please contact the Catholic Schools Office at (602) 354-2345 or email NightofHope@DPhx.org

Gratefully,

Patti Serrano
Night of Hope Chair

Night of Hope

Our Mission

Recognizing that Catholic education is vital to the future of our Church, the mission of Night of Hope is to make a Catholic education in the Diocese of Phoenix affordable and accessible to those who truly want to bring up their children in a loving, faith-filled environment. We hope to do this by increasing funding for scholarships throughout the diocese.

Our Vision

Night of Hope is an evening celebrating the Catholic schools in the Diocese of Phoenix. By bringing members of every school community together, we want to showcase our common faith foundation while sharing each school's unique identity. We look forward to an evening that highlights the achievements of our students and is centered around fellowship and celebration.

Our Goal

The ability to provide scholarships to every child seeking a Catholic education is the goal of the Night of Hope. It is our hope to provide a Catholic education to more and more students each year.

How You Can Help

Your gift in support of Night of Hope will be a lasting gift to the schools in our diocese. Your gift has the potential to change thousands of lives now and in the future. Your gift will reach into our poorest neighborhoods, giving the endless blessing of a faith-based education to a child who truly needs it. With your gift, you strengthen the legacy given to each of us, ensuring that it will continue for generations to come, opening up the possibilities of a Catholic education for every child.

Guardians of Hope

The Guardian of Hope award is given annually at Night of Hope. Its purpose is to honor those people or entities who have advanced the vital ministry of Catholic education in our diocese through their leadership and support.

This year, as the Diocese of Phoenix prepares to kick off its 50th anniversary celebration in December, we are honoring the 26 Irish priests—living and deceased—who were instrumental in establishing and keeping the ministry of Catholic education alive in Arizona. The legacy of these men, who helped to build the very community of faith we all share today, lives on in the hundreds of thousands of young men and women whose lives have been enriched by their Catholic education.

From Those You Reach

"Now I know that indeed there are angels on earth who worry about the students' Catholic education. What seemed impossible for us is possible for God through you, who are the instruments of the love of God."

"Thank you for my scholarship. Without your help I could not go to my school OLMC. I love my school 1001%!"

"Thank you Night of Hope for the scholarship that you gave me. I really appreciate it. It helped a lot to my dad because he couldn't work because he was too sick."

"My dream has always been to graduate from St. Mary's and because of your donation I have an opportunity to make it a reality. My parents have always wanted me to succeed, and I have—thanks to your gift, I am the first one in my family to graduate from high school."

"Thank you! We as a family, devout Catholics, continue to strive for our children to sustain their faith and education with the guidance of OLPH teachers, staff, and parents."

"I do not know how to thank you for the wonderful help you have given us. My kids absolutely love going to Sacred Heart. It has been a very hard year for our family but we have been able to accept this challenge with the help of God and your generosity."

"A thousand thanks to Night of Hope for this great help for our children. I am very glad, happy and grateful because my children go to St. Vincent de Paul. I thank God because there are angels like you."

"I am a first generation Mexican-American student and I am currently in seventh grade. I will graduate from Christ the King Catholic School next fall and I plan to pursue a career as a veterinarian. Thanks to your help, I am one step closer to that goal."

"Thank you so much for your help for me and my family. We really need the help because we have two baby sisters on the way! I am a fifth grader at St. Vincent de Paul Catholic School. My school offers so many things for us! I have a lot of friends and I learn a lot."
