CATHOLIC YOUTH ATHLETIC ASSOCIATION

PHILOSOPHY

The interscholastic athletic program of the Catholic Schools is an integral part of the education program. It must, therefore, be in harmony with the educational objectives. Any interscholastic athletic activity should teach:

- an individual to be a responsible and contributing team member.
- selfless effort in working with others to reach a common goal.
- appreciation of others efforts, whether they be teammates, opponents, officials, or coaches.
- an ability to keep activities and games in proper perspective.

Athletics should be a significant, valuable community activity, foster loyalty, school spirit, student participation and healthy competition. Goals of the athletic program should be meaningful to all students in a school.

The main objectives of the Catholic Youth Athletic Association program should be that of developing qualities of leadership, good sportsmanship, and promoting a Christian atmosphere in which students will grow in respect and concern for others in their own environment as well as in society as a whole.

Emphasis should be placed upon the development of game fundamentals. Principals, coaches, and parents should encourage players to give their best, improve their skills, and have fun when playing a game.

Participation in the C.Y.A.A. Athletic Program

1. Schools of the Catholic Diocese of Phoenix have all rights and privileges to participate in the C.Y.A.A. Athletic Program.
2. All schools that are not part of the Catholic Diocese of Phoenix seeking to participate in the C.Y.A.A. Athletic Program must submit a written application for participation by May 1 in order to be considered for participation for the following school year. The application will be presented to the C.Y.A.A. Advisory Board at its next scheduled meeting.
3. Process for participation will include:
 - a. Written application
 - b. Site visit
 - c. Meeting with administration of the school.

Results of this process will be given to the C.Y.A.A. Advisory Board for its decision, in its sole and absolute discretion, whether to admit the applicant to the C.Y.A.A. Athletic Program. Final decision will be reported following the summer Advisory Board Meeting to the applying school.

4. Any school admitted to the C.Y.A.A. Athletic Program is on probation for one (1) year.
5. All schools are encouraged to participate in all three (3) seasons for girls and boys.
6. Schools that are in good C.Y.A.A. League standing need not reapply each year.
7. Schools of the Catholic Diocese of Phoenix are participants in the Diocese's insurance program.
8. All schools that are not part of the Catholic Diocese of Phoenix that participate in the C.Y.A.A. Athletic Program are not participants in the Diocese's insurance program, and therefore such schools will be solely responsible for obtaining its own insurance coverage satisfactory to the Catholic Diocese of Phoenix and its insurer. Prior to participation, all such schools must provide a certificate of insurance to the C.Y.A.A. which provides evidence of general liability coverage of not less than two million dollars (\$2,000,000.00) per occurrence, naming the C.Y.A.A. and the Catholic Diocese of Phoenix as "Additional Insureds" for all claims arising out of participation in the C.Y.A.A. Athletic Program. Such insurance will be primary in the event of a covered claim or cause of action.
9. All head coaches must be 21 years of age or older. There must be a head coach for each team and that coach must be present at all times during team functions (practice, games and any other events related to the team).

ROLE OF THE PRINCIPAL

The C.Y.A.A. League strives to bring a Christian philosophy to the sports program of our elementary schools. The principal has an excellent opportunity to support coaches and student athletes in their effort to live out the goals and ideals of the C.Y.A.A. Program. Periodic attendance at regular season games indicates interest and support of the school's team and coach, and also provides an opportunity to evaluate the sportsmanship of the coach, team, and spectators. Every effort is made to provide children with the development of fundamental skills of a game so they can compete successfully with others. Although all teams, no doubt, play with the desire to win, undue stress on winning can lead to poor acceptance of the official's decision, and poor sportsmanship among team members and/or spectators. Principals are in a position to encourage coaches and teams in their spirit of sportsmanship or to challenge them to improve it. Although participation of a school in the C.Y.A.A. League doesn't require the principal's presence at all games, the effect of that presence cannot be minimized.

Principals are required to:

1. Designate an Athletic Director to further the program at the school level.
2. Be responsible for the Athletic Director/coaches he/she hires to represent the school. Take the necessary steps to ensure that persons who coach possess understanding of each sport.
3. Discuss the philosophy and C.Y.A.A. Handbook with Athletic Director/coaches. Provide Athletic Director/coaches with a copy of the current C.Y.A.A. Handbook and AIA rules. Be sure that Appendix E, Coaches Sign-Off, is on file for each coach.
4. Make the C.Y.A.A. philosophy and guidelines known to student athletes and parents.
5. Discuss with moderator, cheerleaders, and parents their role in the C.Y.A.A. Program.
6. Provide supervision to cheerleaders.
7. Forward all communications from the C.Y.A.A. Office to Athletic Directors/coaches.
8. See that registration forms, forms/rosters and required payments to the C.Y.A.A. Office are returned as directed and on time.
9. Attend games whenever possible (especially the early games of the season).
10. Encourage pastor, associate pastors, and teachers to attend games as their time and schedules permit.
11. Monitor game schedule to ensure that no more than three games per week are played (tournament play is an exception). Scheduled league games should take precedence over non-league games.

12. Coordinate with the Athletic Director in regards to the budget, officials, uniforms and tournament play.
13. Periodically evaluate Athletic Directors and coaches.
14. The local school will delineate academic standards.
15. Ensure that drivers of student athletes have the required insurance coverage, and follow the transportation guidelines of the Diocese of Phoenix.
16. Ensure transportation waivers are on file for all athletes.
17. Be sure that all Athletic Directors/coaches are current on the requirements of the “Policy and Procedures for the Protection of Minors” with documentation.
18. Ensure that all Athletic Directors/coaches have valid fingerprint clearance.
19. Ensure that coaches, athletes and parents conduct themselves in a Christian matter.
20. Principal or his/her designee ensures that a current Vendor Compliance Form for officials is on file at the school, and as necessary at the Safe Environment Office at the Diocese.
21. Ensure that coaches, athletes and parents (relatives or friends) understand that if they cause an adverse effect on the school, the league or the tournament, the Athletic Director has the authority to take immediate action to correct the problem.

Coaches represent their schools. If a coach causes problems that have an adverse effect on the school, the principal or designee, must take immediate action to correct the problems and inform the C.Y.A.A. Board in writing, or sanctions will be enforced by the Board.

ROLE & DUTIES OF THE COACH

A coach has a strong influence on the children with whom he/she works. Student athletes may look upon their coach as an idol, and may tend to emulate many of his/her characteristics and actions. Therefore, it is of utmost importance that a coach in the C.Y.A.A. League displays the qualities of good sportsmanship and Christian attitudes. A coach should be aware of his/her opportunity to instill Christian attitudes and characteristics in players while on the playing field - an opportunity that is not available to a child's principal or teacher. A coach should be an instructor and disciplinarian to the team players, as well as a positive mentor. All coaches must meet the "Policy and Procedures for the Protection of Minors" requirements. (See school Safe Environment Coordinator for details).

A coach in the C.Y.A.A. League's Code of Conduct is expected to:

1. Be committed to the philosophy of the C.Y.A.A. Program.
2. Be knowledgeable of the contents of the C.Y.A.A. Handbook and applicable AIA rules. All coaches must have a current and updated C.Y.A.A. Handbook including the C.Y.A.A. Code of Conduct, applicable sports rules as well as applicable AIA rules.

20. Refrain from offensive language and actions at all times.

23. Refrain from PHYSICALLY, EMOTIONALLY, OR VERBALLY ABUSING a player at any time during practice or a game.

24. Refrain from laying a hand upon, pushing, shoving, striking, or threatening to strike an official or game supervisor, or being guilty of objectionable demonstration by forceful action of an official's decision.
25. Be responsible for seeing that proper and adequate facilities for the officials are made available. A student manager should be assigned to meet, direct and escort the official to the facilities. In dealing with the officials, the coach's approach must be business-like at all times. He/she must have self-control and sufficient emotional stability to realize that the official sees the play through impartial and unbiased eyes.
26. Respect the judgment of an official or umpire.
27. Make sure all questions regarding rule interpretation are settled before the contest. There should be a clear understanding regarding the procedure to be followed if an on-the-spot interpretation should be necessary.

29. Refrain from discussing publicly with spectators in a derogatory or abusive manner any play, decision, or his/her personal opinion of the officials, DURING OR AFTER THE GAME.

41. Ensure that coaches, athletes, parents, relatives or friends understand that absolutely no one is to approach the official scorekeepers table. It is the responsibility of the official to verify all concerns regarding tournament play. If someone does approach the bench it may result in a technical foul, ejection and/or forfeiture of the game.
42. Bring to the tournament their own pinnies.
43. Bring a first aid kit to all games and practices.

Violation of the C.Y.A.A. Coaches Code of Conduct will result in a technical foul, removal from the game or forfeiture of the game depending on the degree of infraction. The coach will not participate in the next scheduled game. If warranted, further action will be taken by the school principal, the C.Y.A.A. and/or the C.Y.A.A. Board.

ROLE OF PARENTS

Parents of children participating in the C.Y.A.A. Program should be made aware of the philosophy and guidelines as presented in the C.Y.A.A. Handbook.

Parents should be encouraged to take an active part in the C.Y.A.A. Athletic Program of their school.

1. Parents can have great influence as spectators at the game. It is of importance that this influence be of a positive nature. Coaches and players are encouraged and motivated by the support of parents, and the greatest support and encouragement is needed after a loss.
2. When relating to coaches and officials, parents should be an example of cooperation and respect.
3. A parent who observes a coach whose behavior is not consistent with C.Y.A.A. guidelines or philosophy should make it known to the school principal and C.Y.A.A. Advisory Board in writing.

7. Parents must sign the form provided stating that they have read the C.Y.A.A. and local school philosophy, roles, rules, and regulations and agree to abide by them. They must abide by the Diocesan Transportation Policy.

ROLE OF THE STUDENT ATHLETE

All eligible student athletes are encouraged to participate in the various C.Y.A.A. activities. Students who choose to participate in C.Y.A.A. activities must make a commitment to their team. To play on a C.Y.A.A. school team is both a privilege and responsibility. To practice and play takes a number of after school hours, and the student's usual grades must be maintained or the privilege of playing a sport will often be taken away from him/her. When a player is suspended from a team, the teammates as well as the player are affected. Any player who chooses to play on a team owes it to his/her coach and teammates as well as himself/herself to remain on the team until the conclusion of the season.

Any student athlete participating in a C.Y.A.A. activity is expected to:

1. Give fully of himself/herself during practice and games.
2. Be accepting of his/her honest mistakes.
3. Strive to win without placing undue pressure on self or teammates.
4. Recognize and respect the strengths and weaknesses of teammates.
5. Exhibit sportsmanship at all times - - being a good winner as well as a good loser.
6. Accept the guidance of coaches.
7. Respect the decisions of officials and umpires.
8. Refrain from offensive language and actions.

10. Demonstrate that he/she has health and/or student accident insurance.

ROLE OF THE CHEERLEADER

The cheerleader brings to each game a spirit of pride in his/her school and its team members. It is his/her responsibility to guide the spectators in cheers that encourage and support the players that give evidence of respect for the opponents. In determining times for cheers, he/she is to work cooperatively with the opponent's cheering squad. At all times cheers are to be positive and supportive, thus reflecting the Christian philosophy of the C.Y.A.A. Program.

The cheerleader is expected to:

1. Dress in a manner which is attractive and modest.
2. Be positive in cheers and guide the spectators in the same manner.
3. Work cooperatively with the other cheering squad, thus refraining from any type of competition in cheers.
4. Exhibit a sense of school spirit and pride as well as a respect for the school spirit of the opponents, thus refraining from any use of the opponent's school name, colors, symbols, coach's name, names of players, etc. in a derogatory manner.

6. Refrain from the use of noisemakers, such as bells, horns, etc. at basketball games.
7. Avoid cheers that are directed at game officials.
8. Maintain academic standards as delineated by his/her school of enrollment.

No student/athlete may participate in the CYAA sports program that is in a grade under Grade 5.

School Regions

Each school will be put into a Region for league play. Teams within each Region are required to play every other school within that region at least once during each season. Failure to play each participating school will result in disqualification from tournament play. It is highly encouraged that the school make every effort to play the other schools in the region twice (one home and one away) if at all possible. Other games may be scheduled around the already set schedule. All teams must play pre-scheduled league games to ensure acceptance into the tournament, if applicable.

If your team is unable to play in a scheduled game and you do not notify the school by 12:00 (noon) the day of the game, **you must reimburse the opposing team the cost of the officials.** Home teams must call the opposing team, to confirm game by 12:00 (noon) the day of the game, to preclude a possible cancellation.

Big School Definition

DIOCESAN TOURNAMENT FORMAT/RULES

We will have a 7th grade tournament and a 7th/8th grade tournament according to divisions listed pending number of teams entering tournament. Be sure to create your teams accordingly. Teams will be seeded by CYAA Boys and Girls Athletic Directors for tournament play. All championships will be ONE game only.

To assist in covering the cost of equipment, awards, facilities, and site directors, all adults attending will be charged \$2.00 each day to watch the tournament play. Site directors will be responsible to provide a cashier at all door/gate entry points and will supervise the collection of these funds.

Tournament Withdrawal – When a school withdraws/forfeits from a tournament (after the tournament bracket is posted) there will be a \$125.00 fine per game charged. Repetitive withdrawals (during the same season or in multiple seasons during a school year) by a school may result in loss of league participation in an upcoming season along with monetary fines.

A “tournament committee” made up of the C.Y.A.A. Athletic Director and two coaches will serve as an onsite review team and will deal with rule violations immediately. However, when coaches are not available, it will be up to the discretion of the C.Y.A.A. Athletic Director and Site Director to make the final decision. The decision of the “tournament committee” and/or Athletic Director or Site Director will be final. Rule violations not questioned at the time of the game will not be heard.

Rule violations include, but are not limited to:

- Not adhering to eligibility and tournament rules as listed in the C.Y.A.A. Code of Conduct
- Non-attendance at pre-tournament meetings
- Not playing all students according to the rules outlined in the C.Y.A.A. Code of Conduct
- Not adhering to responsibilities outlined for coaches, parents, students in the C.Y.A.A. Code of Conduct

Decisions made by officials may be questioned by the Coach in an appropriate manner.

PROTESTS/APPEALS (Regular Season Play Only)

Every attempt should be made to resolve a conflict during regular play at the lowest possible level. Occasionally matters may arise which will require an objective review by third parties in order to assure the maintenance of positive relationships. To facilitate reconciliation, communication and the strengthening of the community of faith, the following general guidelines shall be followed:

- 1) Coach first seeks resolution with the coach of the opposing team
- 2) Athletic Director seeks resolution with opposing team’s Athletic Director in consultation with the school principals.
- 3) If the resolution is unsatisfactory, the principal of the opposing team is contacted by the principal seeking resolution. Should the two principals involved reach a resolution, that resolution is final and binding.

- 4) If the resolution is still unsatisfactory, the C.Y.A.A. Athletic Board is contacted in writing by the principal seeking resolution. Any three members of the Board can hear the appeal. The decision of the C.Y.A.A. Athletic Board is final and binding.

RULES VIOLATIONS DURING TOURNAMENT PLAY

To prevent violations of C.Y.A.A. rules during tournament play, the Tournament Site Director will be provided tournament rosters (those submitted by each school prior to the tournament) for all teams to ensure the roster matches those participating. The Tournament Site Director will complete the Tournament Site Director Sign-Off form ensuring rules and procedures for tournament play are followed. All participating head coaches will complete the Tournament Coach Sign-Off form to ensure rules and procedures for tournament play are followed.

In the event of a C.Y.A.A. rules violation during tournament play, coaches may appeal to the Tournament Site Director, at the time of the event, and the Site Director will make a decision either during or immediately after the game based on consultation of the C.Y.A.A. Handbook and C.Y.A.A. Athletic Director, whose decision will be final. If the Site Director has his/her own school involved in the potential rule violation, the C.Y.A.A. Athletic Director will make the final decision. There are no appeals.

INFRACTIONS

At any time, a school official (Principal, Assistant Principal or Athletic Director) may submit an incident form to the C.Y.A.A. Board describing the specific infraction that has taken place. The infraction will be investigated, and the validity determined by a review committee of the C.Y.A.A. Board. In addition, Tournament Site Directors will provide the C.Y.A.A. Athletic Directors with reports documenting any reported rules violations during tournament play and decisions made. Those reports will be provided to the C.Y.A.A. Board for review.

The C.Y.A.A. Board will review all rule infractions submitted by a school official, site director or C.Y.A.A. Director, determine the validity of the rule violation and decide on appropriate sanctions to the violating school. Sanctions may include an official written warning, probation (ineligibility to host tournaments and/or serve as a site director) and removal from season and/or tournament play for a designated amount of time determined by the C.Y.A.A. Advisory Board.

Schools with continuous valid infractions will be denied participation in C.Y.A.A. league and tournament play for the next sports season. Schools with continual spectator and/or coach infractions will be denied all participation in C.Y.A.A. Tournament play for the next sports season subject to Board discretion.

Should the infractions occur during spring sports, the school will be denied participation in C.Y.A.A. tournament play for the following fall sports season. (See C.Y.A.A. Incident Report, Appendix F)

The Catholic Youth Athletic Association reserves the right to revise this Code of Conduct after giving reasonable notice.

Questioning of “calls” made by officials will not be considered rule violations.

BASIC FIRST AID AND CPR

It is important and beneficial that all C.Y.A.A. Coaches know how to care for their athletes in an emergency, therefore, C.Y.A.A. recommends that all coaches contact the Red Cross or other agencies to inquire about First Aid and CPR Certification. The following information is a summary of First Aid and CPR skills and is not a substitute for skills and knowledge learned in a First Aid and CPR Course.

GENERAL INFORMATION

SECTION 1

Coaches should always:

- A) Know medical history of all players prior to any activity.
- B) Have in their possession a first aid kit which contains:

| | | |
|-------------------------------|--|------------------------------|
| Ace Bandage | Hand Cleaner | Adhesive tape |
| Moleskin | Antiseptic Towelettes | Needle/Safety pin |
| Band Aids (Assorted sizes) | Assorted Sizes Non-Stick Sterile pads | Assorted Sizes Gauze pads |
| Rolled Gauze | Petroleum Jelly | Cold Pack (2) |
| Eye Pads (2) | Triangular Bandage | Scissors |
| Blanket | Tweezers | |

- C) Treat any injuries that involve blood with disposable latex gloves.
Dispose of the gloves properly.

EMERGENCIES

SECTION 1

In an emergency, coaches should always:

- A) Check the scene for safety and check the victim for level of consciousness, breathing, pulse, and bleeding.
- B) Call 911. Give the dispatcher:
 - The exact location or address of the emergency.
 - The telephone number from which the call is being made.
 - The caller's name.
 - Information about the situation.
 - The number of people involved.
 - The condition of the victim(s).
 - The care being given to the victim(s).
- Do not hang up until the dispatcher hangs up. The 911 dispatcher may be able to tell you how to care for the victim until help arrives.
- C) Care for the victim until help arrives by:
 - Watching for changes in the victim's breathing and consciousness.
 - Helping the victim rest comfortably.
 - Keeping the victim from getting chilled or overheated.
 - Reassuring the victim.

Basic First Aid for Sports Related Injuries.

SECTION 1

Bleeding

To reduce risk of disease transmission, place a barrier between you and the victim's blood (latex gloves, plastic wrap, cloth, victim's hand). Wash hands with soap and water after providing care.

A) **Call 911**, if necessary.

B) Direct pressure:

1. Place a dressing (gauze pad, clean cloth) over wound and apply direct pressure.
2. If dressing is not available, have injured person apply pressure with their hand.

C) Elevate the wound if fracture is not suspected.

1. Elevate wound above level of heart.
2. Continue direct pressure.
3. Apply a pressure bandage to hold the gauze pad or cloth in place.

D) Pressure points:

1. Although rare, in some cases direct pressure and elevation may not control bleeding. In these cases, apply pressure to a pressure point while maintaining direct pressure.
2. Arm wound: apply pressure over brachial artery which compresses the artery against the bone.
3. Leg wound: apply pressure over the femoral artery with the heel of your hand. This compresses the artery against the pelvic bone.

SECTION 2

Choking (Adult and Child)

A) Ask: "Are you choking?"

B) If victim cannot cough, breathe, or speak, [**have someone call 911**] while you perform abdominal thrusts:

1. Stand behind the victim.
2. Wrap your arms around the victim's waist.
3. Place your fist with thumb side against the victim's body in the midline just above the navel and well below the lower tip of the breastbone.
4. Grasp your fist with your other hand.
5. Press with a quick inward and upward thrust.

C) Use chest thrusts for victims who are obese.

D) Repeat thrusts until obstruction is cleared.

E) If victim becomes unconscious:

1. Lie victim on back.
2. Give 5 abdominal thrusts with heel of hand just above the navel.
3. Do a finger sweep of the mouth of adult. Finger sweep mouth of child only if you can see the object.

 - G) Elevate injured area without disturbing the suspected fracture.
 - H) Apply a cold pack to a closed fracture. Do not apply a cold pack to an open fracture.

SECTION 7

Head, Neck, and Spine Injuries

Note: Choosing defense and deferring to the second half are not the same option.

SECTION 2

Ready for play: The ball shall be placed at the 20-yard line, and time begins with the first snap of the ball. The offense has four (4) downs to reach the next zone. Reaching the next zone shall result in a new set of downs or a touchdown if in the endzone. Failure to reach the next zone shall result in a turnover-on-downs with the defense taking over possession from their own 20-yard line—regardless of where on the field the offense was stopped. There is no punting.

EQUIPMENT

SECTION 1

Shoes: Tennis shoes, soft molded cleats (soccer or Pop Warner), and other closed toe athletic shoes may be worn. Metal cleats, hard molded cleats, street shoes, stocking feet, or bare feet are not permitted.

SECTION 2

Players shall remove all jewelry prior to the game.

SECTION 3

Uniforms: Players should wear uniforms provided by their school. Should a player not have a uniform available, accommodations may be made at the discretion of the official. It is the responsibility of the home team to adjust their uniforms should they be deemed too similar to those of the visiting team.

Note: Individually detachable flags (pop-out flags) are not permitted.

SECTION 5

Football: The official game ball shall be junior sized for 5th/6th grade divisions and intermediate/youth sized for 7th/8th grade divisions. Teams may use a "runner" to bring their game ball into the game when possession changes.

- SECTION 6** **Play sheets:** Play sheets shall not be discarded on the field of play by the quarterback or any other player. Play sheets kept on the field of play shall be tucked under the player's uniform and in a manner that does not interfere with the defense's ability to down a player. Teams may use a "runner" to bring their play sheet onto and off the field of play in-between plays.
- SECTION 7** **Proper uniform wearing:** Players must keep their shirts tucked into their pants or shorts as to not interfere with the defense's ability to down a player. Should a player's shirt be unable to be tucked in, flags must be worn over the shirt. The official shall warn players in violation and continuous offenses may be met with a 5-yard penalty.
- SECTION 8** **Staffing:** The coach shall not keep the official TIME or work the DOWN MARKER. The home team provides the timekeeper, down marker, and the people to staff these positions. The official reserves the right to keep the official time.

The defense must be permitted time to matchup with the offense in the event of a substitution and hideout plays are illegal. **PENALTY:** Illegal substitution, five (5) yards.
- SECTION 3** **Flags:** Flags shall be worn by all players on offense and defense. If a player catches a ball and is not wearing flags, he shall be declared down at the spot where he caught the ball.
- SECTION 4** **Coach's Box:** Players and coaches shall stay between the 20-yard line zones, roughly two (2) yards away from the sideline. **PENALTY:** Warning followed by a five-yard penalty for repeated violations at the official's discretion.
- SECTION 5** **Unsportsmanlike conduct:** Any unsportsmanlike conduct including, but not limited to, spiking the ball or flags, inappropriate language or gestures, or taunting is not permitted. This extends to both coaches and

fans as well. Coaches should keep in mind that they are responsible for the conduct of their parents and fans. **PENALTY:** Unsportsmanlike conduct, ten (10) yards from the end of the play and an automatic first down (if on the defense).

Note: Penalties occurring after a touchdown shall be enforced from the ensuing spot.

SECTION 6

Ejections: The official reserves the right to eject coaches, players, parents, or fans for conduct unbecoming of the game. Should a coach be ejected from the game with no assistant coach available, the game shall end in a forfeit. Ejections may result in suspensions in accordance with C.Y.A.A. policies.

TIME FACTORS

SECTION 1

Game Length: Playing time shall be four (4) ten (10) minute running quarters and the direction of play shall be switched at the start of the second and fourth quarters.

SECTION 2

Clock stoppages: The clock shall stop for all time-outs and during the final two minutes of each half in the following circumstances:

1. The two-minute warning.
2. An incomplete pass.
3. A runner going out-of-bounds prior to being downed.
4. A change of possession.
5. A penalty.

Note 1: There are no time run-offs for offensive penalties and the clock shall start on the ensuing snap with the exception of a false start or intentional grounding where it shall start upon the ready-for-play.

Note 2: The clock shall continue to run in the event of a dropped lateral, a dropped snap by the quarterback, a fumble, or a seven-second coverage sack.

Note 3: Point after attempts are untimed plays and the clock shall not run during them within the final two minutes of each half.

SECTION 3

Time outs: Each team is allotted two (2) time outs per half, one (1) minute in duration, that do not carry over. They may be requested by either an on-field captain or the head coach. One (1) time out shall be allotted for each overtime period during tournament play.

SECTION 4

Penalty at the end of a half: If the time expires and the penalty is on the offense, the defense can accept the penalty and end the half. However, if the penalty is on the defense, the offense can accept it and extend the half for an untimed down. Double fouls (offsetting penalties) shall also result in a replayed, untimed down.

SECTION 5

Mercy rule: If at any point after the third quarter a team is leading by 28 or more points, the game shall end in a mercy rule.

TIE-BREAKERS AND OVERTIME

SECTION 1 **Regular season ties:** Regular season games that end in a tie shall be recorded as such. There is no overtime.

SECTION 2 **Tournament game ties:** Tournament games that are tied at the end of regulation play will be resolved according to C.Y.A.A. tie-breaker rules and procedures as follows:

1. After the end of regulation, a coin toss shall ensue with the winner electing to receive the ball, take defense, or choose direction of play. Both teams shall play in the same direction.
2. The ball shall be placed at the opponent's 20-yard line for the first overtime and the 10-yard line for any additional overtimes. Each team shall have four (4) consecutive downs to score as many times as possible, with the ball returning to the 20-yard line (10-yard line in additional overtimes) after a score with the down count not resetting. Point after attempts are still conducted in their usual way upon a touchdown.
3. Intercepted passes shall be considered a loss of possession. Interception may not be returned for a touchdown and the play shall be blown dead immediately with the defense taking over possession from their opponent's 20-yard line.
4. Offensive penalties carry with them their usual application. Defensive penalties shall not result in an automatic first down and shall instead result in the previous down being replayed after the yardage has been assessed.

Example: Team A is running their third down play in overtime and Team B commits pass interference in the end zone. The ball shall be spotted on the two-yard line and it will remain third down.

PUTTING THE BALL IN PLAY

SECTION 1 **Play clock:** Teams have 30 seconds to put the ball in play from the time the official spots the ball. **PENALTY:** Delay of game, five (5) yards.

SECTION 2 **Legal formations:** The offense must position no fewer than three (3) players on the line of scrimmage. **PENALTY:** Illegal formation, five (5) yards.

SECTION 3 **Defensive pass rushing:** The defense may identify no more than two (2) rushers who shall be positioned a minimum of seven (7) yards off the line of scrimmage. Identified rushers may "fake" rushing and drop back into coverage. **PENALTY:** Illegal rush, five (5) yards.

SECTION 4 **Defensive rusher:** Once a rusher passes the line of scrimmage, he may not attempt to block a pass and may only make a play on the quarterback's flags. **PENALTIES:** Attempting to block a pass is illegal use of the hands, five (5) yards. Blocking a pass is roughing the passer, ten (10) yards and an automatic first down.

| | |
|-------------------|--|
| SECTION 5 | Pass clock: The quarterback has seven (7) seconds from the snap to pass the ball beyond the line of scrimmage. If the count has expired before the quarterback has released the ball, it will be counted as a coverage sack at the spot where the ball is. If the quarterback is beyond the line of scrimmage when the count expires, the ball will be spotted back at the previous line of scrimmage. |
| SECTION 6 | Spiking: The offense may spike the ball to stop the clock within the last two minutes of each half. |
| SECTION 7 | Kneeling: The offense may kneel the ball to keep the clock running. |
| SECTION 8 | Illegal plays: The offense shall not hand off, rush, lateral, or otherwise receive the ball, including passes, from behind the line of scrimmage. PENALTY: Illegal touching, loss of down from previous spot. |
| SECTION 9 | Motion: The offense is allowed one player in motion at the snap so long as he is moving parallel with the line of scrimmage. PENALTY: Illegal motion, five (5) yards. |
| SECTION 10 | Illegal forward pass: The quarterback shall not pass the ball from beyond the line of scrimmage. PENALTY: Illegal forward pass, five (5) yards from the previous spot and loss of down. |
| SECTION 11 | Intentional grounding: The quarterback shall not throw a pass, intentionally, to save the loss of yardage by throwing to an area not occupied by an eligible receiver. There is no “outside the pocket” exception. PENALTY: Intentional grounding, five (5) yards from the spot of the foul and loss of down. |
| SECTION 12 | Laterals: Laterals are permitted. |
| SECTION 13 | Quarterback participation: The quarterback is not allowed to participate in a play, in any form, after he releases the pass, including attempting to de-flag a ball carrier after an interception. He is not eligible to receive a lateral. PENALTY: Illegal participation, ten (10) yards. If the quarterback throws an interception and then de-flags the ball carrier or otherwise obstructs him in a manner that deprives the defense of a touchdown, in the judgment of the official, a touchdown shall be awarded. |

DOWNED BALL AND SPOTTING OF THE BALL

| | |
|------------------|---|
| SECTION 1 | Downs: A team has four (4) scrimmage downs to advance the ball to the next zone. Should a team start their drive behind their own 20-yard line as the result of an interception, they will be awarded their next first down at their own 20-yard line. |
| SECTION 2 | Downing a player: A player is downed when the defense removes one of the ball carrier’s flags or his belt, or if the ball carrier touches the ground with any part of his body except his hand or foot. |

| | |
|-------------------------|--|
| SECTION 3 | Spotting the ball: The ball shall be spotted where it is in relation to the ground when a player is downed or runs out-of-bounds. Should the ball break the plane of the goal-line before the ball carrier's flags are pulled, a touchdown shall be awarded. |
| SECTION 4 | Dropped laterals and fumbles: A dropped lateral or fumble, including dropped snaps, shall be spotted at the point where the ball first touched the ground or broke the out-of-bounds plane. |
| SECTION 5 | Change of possession: Any change of possession on downs results in the ball being placed back at the 20-yard line. A change of possession caused by an interception is spotted where the ball carrier is downed. |
| SCORING | |
| SECTION 1 | Touchdowns: Six (6) points. |
| SECTION 2 | Point after attempts: From the five (5) yard-line – one (1) point. From the ten (10) yard line – two (2) points. If there is an accepted penalty on the point after try, the offense may not change the point value of the re-try. |
| SECTION 3 | Safety: Two (2) points and possession at the defense's own 20-yard line. It is a safety when the offensive player is downed with the ball on or behind his own team's goal-line. |
| THE BALL CARRIER | |
| SECTION 1 | Contact avoidance: The ball carrier shall strive to avoid contact with the defense by agility and athleticism. Any attempt by the ball carrier to run over, charge, straight arm, spear, or otherwise use rough tactics shall be deemed illegal. PENALTY: Unnecessary roughness, ten (10) yards from the point of the infraction, loss of down, and disqualification, if in the judgement of the official, the contact was intentional and flagrant in manner. |
| SECTION 2 | Agility plays: Spinning and jumping are permitted. Diving and hurdling are not permitted. PENALTY: Unnecessary roughness, ten (10) yards from the point of the infraction and loss of down. |
| SECTION 3 | Loss of flags: The ball carrier is down whenever he drops his flags or when his flags are pulled off by an opponent except in the special situations as explained in SECTION 4 . |
| SECTION 4 | Loss of flags exception: When a ball carrier releases the ball, such as during a lateral, his flags are pulled after the release, and the ball is later returned to him, a tag below the waist shall down him. |
| SECTION 5 | Premature flag pulls: The defense shall not intentionally and prematurely pull an offensive player's flags. PENALTY: Unsportsmanlike conduct, ten (10) yards from the end of the play and an automatic first down. |
| SECTION 6 | Flag-guarding: The ball carrier shall not protect his flags by guarding, hacking, deflecting, holding his flags, or shield his flags any other manner that inhibits or obstructs the defense from pulling his flags. PENALTY: Flag-guarding, five (5) yards from the spot of the foul and loss of down. A |

first down is still awarded if the penalty occurred beyond the line to gain. Live ball fouls that occur after a flag-guard shall not be enforced. The official also has the discretion to blow the play dead when the flag-guard occurs.

SECTION 7

Inadvertent whistle: If the official prematurely blows his whistle, the play is dead. If the inadvertent whistle occurred prior to the pass, the down shall be replayed. If the inadvertent whistle occurred after the pass, the ball is dead where it was when the whistle was blown and the down counts.

DEFENSIVE ROUGHNESS AGAINST THE BALL CARRIER

SECTION 1

Unnecessary roughness: Pushing the ball carrier out of bounds, tackling, tripping, stripping the ball, and all other contact not deemed to be incidental is illegal. **PENALTY:** Unnecessary roughness, ten (10) yards from the end of the play and an automatic first down. For pushing the ball carrier out of bounds, the official may award a touchdown if the ball carrier had a clear path to the endzone.**SECTION 2** **Holding:** The defense may not grab onto the ball carrier's clothing or body and maintain ahold of it such that it provides the defense an advantage in pulling the ball carrier's flags. If the defender accidentally grabs ahold of the ball carrier's clothing in a legitimate attempt to pull the ball carrier's flags, but immediately releases him, it shall be ruled incidental and not penalized. **PENALTY:** Holding, ten (10) yards from the end of the play and an automatic first down.

SPECIAL POINTS OF EMPHASIS

SECTION 1

Interceptions: A player who intercepts a pass on the field of play may attempt to return the catch for a touchdown. If a player intercepts the ball in the endzone and is downed, the ball shall be placed on the team's own 20-yard line. If a player returning an interception leaves the endzone but returns into it and is downed, a safety shall be awarded. An intercepting player downed in the field of play shall result in the defense taking over at the point where the ball was downed. Interceptions, however, may not be returned on point after attempts. As described above, the quarterback cannot become a defender and attempt to pull the intercepting player's flags. If the quarterback is deemed by the official to have deprived the defense of a touchdown, one shall be awarded. Otherwise, a ten-yard illegal participation foul will be assessed from the end of the return.

SECTION 2

Impeding the rusher: The offense must provide any legally identified rusher with a clear, unobstructed path to the quarterback. It is solely the responsibility of the offense to avoid any contact with or obstruction of the rusher. Contact is not necessary for impeding the rusher to be enforced. **PENALTY:** Impeding the rusher, five (5) yards.

Exceptions: The rusher will lose his protections as described above in the following circumstances.

1. The rusher hesitates and does not immediately pursue the quarterback.
2. The rusher deviates from his direct path to the quarterback.

SECTION 3

Pass interference: No contact with receivers is allowed. If defensive pass interference occurs, the **PENALTY** is enforced from the spot of the foul with an automatic first down. If the foul occurs in the endzone, the ball shall be spotted on the 2-yard line. An offensive pass interference **PENALTY** shall be ten (10) yards.

SECTION 4

Screens and picks: Screens and pick plays are not permitted. **PENALTY:** Offensive pass interference, ten (10) yards.

SECTION 5

Downfield blocks: Offensive players may not move and interfere with the defense's ability to pursue or down the ball carrier. Offensive players are to remain stationary or move away from the play after a pass is received. **PENALTY:** Illegal block, ten (10) yards from the spot of the foul and down replayed if a first down was not achieved after marking off the yardage. Note: If a stationary offensive player, who has not intentionally moved into a position to interfere with the defense, contacts a pursuing defender, the contact shall be deemed incidental, and no penalty shall be assessed.

TIPS FOR PLAYERS AND COACHES

All contact is illegal.

Only 1 offensive player is allowed in motion so long as he isn't moving towards the line of scrimmage.

Offense needs 3 players on line of scrimmage.

- SECTION 8** Gloves/mitts shall be worn by all fielders. The glove/mitt worn by the catcher may be any size.

Glove/mitts may be two-tone unless judged to be distracting. A glove/mitt worn by players that is entirely gray, white, or optic in color is illegal. - Penalty: The ball is dead if it touches any loose equipment. For offensive equipment causing a blocked ball (and interference), the runner being played on is out, but all runners must return to the last base touched at the time the ball is declared dead. If the equipment belongs to the defensive team, it becomes a "blocked" ball, the ball is dead and the overthrow rules applies (two bases)
- Discarded bat by the batter and the catcher's mask and helmet are not examples of loose equipment, they are considered part of the playing field.

SECTION 13 Home team shall be responsible for:

- A) Bases
- B) The official ball - new 12" leather ball (white or optic yellow is permissible)
- C) Official score book
- D) Home plate umpire

RULE 4 - SUBSTITUTION

SECTION 1 A substitute may replace a player, including the pitcher, when the ball is dead or time has been called. The substitute or coach shall report, at the time of the change, to the umpire-in-chief by stating name and shirt number of the player entering the game for the first time or the player (starting player) re-entering, the name of the player entering the game as a courtesy runner or being replaced in the batting order and the position to be occupied in the field if the player is not a courtesy runner.

- The pitcher is no longer required to pitch until the first batter facing her has completed her turn at bat or the side has been retired.
- A pitcher may be removed as a pitcher, move to a different defensive position and return as pitcher only once per inning provided the return as pitcher does not violate either the substitution or charges conference rule.

SECTION 2 The umpire-in -chief shall record all substitutions on the lineup card and then announce immediately any change(s) to the opposing team. Projected substitutions are not allowed. Should there be no announcement of substitution, a substitute has entered the game when the ball is alive and:

- A runner takes the place of a runner she has replaced;
- A pitcher takes her place on the pitcher's plate;
- A fielder reaches the position usually occupied by the fielder she has replaced; or
- A batter takes her place in the batter's box;
- and, in each of the above situations, when the ball is declared live by the umpire-in-chief.

SECTION 3 Any player may be withdrawn from the game and re-entered once, provided such player occupies the same batting position whenever in the line-up. A violation results in illegal substitution. A substitute who is withdrawn may re-enter.

SECTION 4

Illegal Substitute. When dealing with situations where an illegal substitute is detected in the game, the umpire should keep in mind that the intent of this rule is to penalize the offending team and offending players as follows:

1. Illegal offensive or defensive players may be discovered by the umpire or either team anytime after the ball becomes alive and an illegal substitute has taken a position as:
 - A) a runner she has replaced or as a batter in the batter's box;
 - B) a pitcher on the pitcher's plate, or as a fielder reaching a position usually occupied by the fielder being replaced; or
 - C) a courtesy runner if that player has violated the courtesy-runner rule.
2. Illegal offensive players may be discovered:
 - When in the batter's box, the ball is alive and/or before the batter-runner reaches first base, or is put out and before a pitch is delivered to the next batter of either team;
 - When the illegal batter-runner or runner(s) score, advance or cause a play to be made that allows another runner to advance or score, and the infraction is detected before the next pitch by either team;
 - When an illegal batter-runner or runner(s) scores, advance, or cause a play to be made that allows another runner to advance and the infraction is detected after the next pitch by either team.
3. Illegal defensive player is discovered before the next pitch to either team when:
 - Involved in a play with batted ball;
 - A non-batted ball is handled or touched by an illegal substitute that leads to a runner being put out;
 - A not-batted ball is handled or touched by an illegal substitute that alters the play, but no runner is put out (i.e. on an overthrow on a stealing runner, the illegal substitute retrieves ball and prevents runner from advancing farther.)

SECTION 5

A hitter may be designated for any one starting player (not just pitchers) and all subsequent substitutes for that player in the game. A designated hitter for said player must be selected prior to the start of the game, and her name shall be included on the lineup cards presented to the umpire-in-chief and official scorekeeper. It is not mandatory that a team use a designated hitter, but failure to declare a designated hitter prior to the game precludes the use of a designated hitter in that game. If a pinch-hitter or pinch runner for the designated hitter is used, that player becomes the new designated hitter. The player that was the designated hitter may re-enter like any other player under the re-entry rule. A designated hitter and the player for whom she is batting are locked into the same position in the batting order. No multiple substitutions may be made that will alter the batting rotation. The role of the designated hitter is terminated for the remainder of the game when:

- The defensive player, or any previous defensive player for whom the designated hitter batted, subsequently bats, pinch hits or pinch runs for the designated hitter; or
- The designated hitter or any previous designated hitter assumes a defensive position.

- SECTION 7** Any player who has been rendered apparently unconscious during a game shall not be permitted to resume participation that day without written authorization from physician.
- SECTION 8** A player or coach who is bleeding or who has an open wound shall be prohibited from participating further in the game until appropriate treatment has been administered. If medical care or treatment can be administered in a reasonable amount of time, the individual does not have to leave the game. The length of time that is considered reasonable is umpire judgment. The re-entry rule would apply to players taken out of the game for this rule. If there is an excessive amount of blood on any part of the uniform, that part of the uniform shall be changed before that individual may participate.
- SECTION 9** For 5th, 6th, 7th & 8th softball teams playing time regulations are one time at bat or three outs in the field.

This is recommended for the season but is mandatory for the tournament.

RULE 5 - PLAYING TERMS AND DEFINITIONS

- SECTION 1** **Charged Conference** - meeting which may involve the coach or other team personnel or player(s).
- SECTION 2** **Error** - misplay by fielder
- SECTION 3** **Passed Ball** - pitch that the catcher fails to stop or control with ordinary effort and which enables a runner to advance.
- SECTION 4** **Interference and Obstruction** - illegal touching of a ball or hindrance of a fielder by anyone connected with the team at bat. Faking a tag is considered interference or obstruction.
- A) Umpire Interference - umpire inadvertently moves so as to hinder a catcher's attempt to throw or when a fair ball touches an umpire.
 - B) Spectator Interference - action(s) by a spectator impedes the progress of the game.
 - C) Defensive Interference - fielder or catcher hinders a batter or runner.
- SECTION 5** **Fielder's Choice** - the act of the fielder with a live ball, who elects to throw for an attempted putout or to retire unassisted any runner thus permitting the advance of the batter or runner.
- SECTION 6** **Infield Fly** - a fair fly (not including a line drive or an attempted bunt) which can be caught by an infielder with ordinary effort; and provided the hit is made before two are out and at a time when first and second bases or all bases are occupied. When it seems apparent that batted ball will be an infield fly, the plat umpire immediately announces it for the benefit of the runners. If the hit should then prove to be foul, the decision is reversed and it is treated the same as any foul.

- SECTION 7** **Pitcher's Pivot Foot** - the foot, which is in contact with the ground, as opposed to the non-pivot foot with which the pitcher steps toward home plate.
- SECTION 8** **Illegal Pitch** - a violation of the pitching rules
- SECTION 9** **Crow Pitch** - the re-plant of the pivot foot prior to delivering the pitch.
- SECTION 10** **Leap** - when both the pitcher's feet are airborne
- SECTION 11** **Strike Zone** - the space over home plate which is between the batter's armpit and the top of the knees when the batter assumes a natural batting stance. Any part of the ball passing through the strike zone shall be considered a strike. The umpire determines the batter's strike zone according to the batter's usual stance when swinging at a pitch.
- SECTION 12** **Wild Pitch** - pitch which cannot be handled by the catcher with ordinary efforts.

RULE 6 - COACHING

- SECTION 1** Any member of the team at bat who has not been ejected for unsportsmanlike behavior may occupy each coach's box while the team is at bat. The person in the coach's box may address base runners or the batter.
- SECTION 2** No offensive team personnel, other than the base coach, shall be near a base for which a runner is trying so that a fielder may be confused; nor shall anyone fail to vacate any area (including coach's box) needed by a fielder in an attempt to put out a batter or runner. If a thrown live ball accidentally touches a base coach in foul territory, or a pitched or thrown ball touches an umpire, the ball is alive and in play. If the coach is judged by the umpire to have intentionally interfered with a thrown ball, any runner being played on is out. If, in the umpire's judgment, no runner is being played on, the runner closest to home is declared out.
- SECTION 3** A coach shall not physically assist a runner while the ball is alive.
- SECTION 4** If any offensive team member, other than a runner or retired, interferes with a batted fair ball or foul fly ball, the batter is to be declared out. If, in the umpire's judgment the interference prevented a possible double play, the batter and runner closest to home shall be declared out.

RULE 7 - BENCH AND FIELD CONDUCT

- SECTION 1** A coach, player, substitute, attendant, or other bench personnel shall not:
- A) Carelessly throw a bat or fake a tag without the ball.

- H) Have any object in his or her possession in the coach's box other than scoring material.
- I) Argue ball or strike call or other judgment call.

RULE 8 - CHARGED CONFERENCE

SECTION 1 Each team, when on defense, may be granted not more than three charged conferences without penalty during a six-inning game to permit coaches or their representatives to confer with a defensive player or players. In any extra-inning game, each team shall be permitted one charged conference without penalty each inning while on defense. The number of charged conferences permitted is not cumulative. A coach, player, substitute, or an attendant may make a request for time for a conference. Time granted for an obviously incapacitated player shall not constitute a charged conference. A conference is not charged when the pitcher is removed as pitcher. This defensive team charged conference rule coverage is effective when the ball first becomes alive at the start of each half-inning.

SECTION 2 Each team, when on offense, may be granted not more than one charged conference per inning to permit the coach or any of that team's personnel to confer with base runners, the batter, the on-deck batter or other offensive team personnel. The umpire shall deny any subsequent offensive team requests for charged conference. This offensive team charged conference rule coverage is effective when the ball first becomes alive at the start of each half inning. Time granted for an obviously incapacitated player shall not constitute a charged conference.

SECTION 3 When either team has a charged conference, the other team may also have a conference, which is not charged, provided the non-charged conference concludes when the opposing team's charged conference concludes thus not delaying the game.

RULE 9 - STARTING AND ENDING THE GAME

SECTION 1 Before game time, the home and visiting team shall deliver their respective batting orders to the umpire, official scorekeeper, and opposing team.

SECTION 2 The game begins when the umpire calls "Play Ball".

SECTION 3 A regulation game is six innings unless extra inning(s) are necessary because of tie score. No new inning after 1:30 min. Each new inning will

be finished. The umpire's clock is the official game time. NO EXCEPTIONS. In the case of bad weather or darkness, three complete innings constitute a complete game. In the event a game is called off due to weather issues, the game will be considered halted at the last full inning of play and no score beyond the last full inning will be counted. See the Weather Conditions and Game Play regulations of the CYAA Regular Season and Tournament Play section of the handbook for reschedule options.

SECTION 4

A team must begin the game with nine players.

If a player is forced to leave the game and her team, not having any more substitutes was left with eight players, the game could continue. (Each time the player who left the game, comes up to bat it will constitute an out.)

SECTION 5

A regulation game ends if:

- A) A team leads another by ten runs after four complete innings.
 - If home team is up by ten runs at the bottom of the third inning or thereafter, it does not bat.
 - The home team is batting in the bottom of the 4th inning or thereafter and increases its lead to 10 runs the game is to be halted by the umpire regardless of outs.
- B) In the umpire's judgment, darkness and/or inclement weather interfere with play and if four complete innings have been played.
- C) Time limit expires. New inning(s) may not start after one and half-hours of play from the starting time.

SECTION 6

A game called for any reason, where a winner cannot be determined, or any game called at anytime for mechanical failure, (artificial lights, water systems, etc.) will be treated as a suspended game. If the game is to be completed, it will continue from the point of suspension, with the lineup and batting order of each team exactly the same as the lineup and batting order at the moment of suspension subject to the rules of the game.

SECTION 7

If the score is tied after five complete innings and/or time has expired, play shall continue until one team scores more runs than the other in an equal number of complete innings, unless the home team leads.

SECTION 8

The following Tie Breaker Procedure will be used during the tournament and is suggested during the season:

Begin the tiebreaker inning by placing a runner on second base. That runner is the player in the batting order that precedes the lead -off batter in that inning. Then the game proceeds a full inning or until a winner is determined in that inning.

SECTION 9

A game shall be forfeited to the offended team by the umpire when a team:

- A) Is 20 minutes late after a scheduled game time. This may be set aside if the umpire considers the delay unavoidable.
- B) Refuses to continue play after the game has started.

- C) Delays more than one minute in resuming play after the umpire calls "Play Ball" or in obeying the umpires order to remove a player for violation of the rules.
- D) Persists in tactics designed to delay or shorten the game.
- E) Willfully and persistently violates anyone of the rules after being warned by the umpire.

SECTION 10

Run rule – no more than six (6) runs in one half inning may be scored unless there is a hit and more runners score on a continuation. (Maximum of 9 runs may be scored if a home run is hit.)

If a team leads by ten (10) runs after four (4) innings, the game shall be called.

If the umpire declares last inning the "Last Inning Rule" is in effect.

RULE 10 - DEAD BALL OR SUSPENSION OF PLAY

SECTION 1

A ball becomes dead immediately when:

- A) A pitch touches a batter or the batter's clothing.
- B) The ball is illegally batted or comes in contact with the bat a second time.
- C) Any batted ball while on or over foul ground that touches any object other than the ground or any person other than a fielder.
- D) There is interference.
- E) A fair ball touches a runner or umpire before touching any fielder and before passing any fielder other than the pitcher.
- F) A live ball is touched by a spectator.
- G) The umpire calls "Time".
- H) An infielder, or outfielder, if the ball could have been caught by a fielder with ordinary effort, intentionally drops a fair fly, line drive, or bunt in flight with at least first base occupied and with less than two outs.

SECTION 2

It is a delayed dead ball when:

- A) An illegal pitch is committed.
- B) There is interference by a batter.
- C) A catcher or any fielder obstructs a batter, or obstructs the ball through use of detached player equipment.
- D) Umpire interferes with catcher who is attempting to throw.
- E) A coach physically assists a runner.
- F) A ball touches an illegal glove or mitt.

SECTION 3

"Time" shall be called by the umpire and play is suspended when:

- A) The umpire considers the weather or ground conditions unfit for play.
- B) A player is incapacitated except if injury occurs during a live ball.
- C) A player or coach is granted "Time" for substitution, conference with the pitcher, or similar cause.

RULE 11 - PITCHING

SECTION 1

Prior to starting the delivery (pitch), the pitcher shall take a position with the pivot foot on or partially on the top surface of pitcher's plate and the non-pivot foot in contact with or behind the pitcher's plate. Both feet must be on the ground within or particularly within the 24" length of the pitcher's plate.

- A) Preliminary to pitching the pitcher must take a position with shoulders in line with first and third base with the ball in the glove or pitching hand, and with the hands separated.
 - B) While in this position, the pitcher shall take (or simulate taking) a signal from the catcher.
 - C) After completing (B) the pitcher shall bring the hands together in front of the body for not less than one second and not more than ten seconds before releasing the ball. The hands may be motionless or moving.
 - D) The pitcher shall not be considered to be in pitching position unless the catcher is within the lines of the catcher's box and in position to receive the pitch.
 - E) The pitcher may not take the pitching position on or near the pitcher's plate without having possession of the ball.
- To indicate to the pitcher that she may not start the pitch, the umpire should raise one hand with the palm facing the pitcher. "NO PITCH" shall be declared if the pitcher pitches while the umpire's hand is in said position.
 - Penalty: Illegal pitch in (A), (B), (C), and (E). In (D) no pitch shall be called.

SECTION 2

The Pitch:

- A) The pitch starts when one hand is taken off the ball or the pitcher makes any motion that is part of the wind-up after the hands have been brought together.
 - B) Once the hands are brought together, the pitcher shall not take more than one step, which must be forward, toward the batter and simultaneous with the delivery. A step backward must begin before the hands come together. The step may end before or after the hands come together. Towards is interpreted as within or partially within the 24" length of the pitcher's plate.
 - C) The pivot foot may remain in contact with or may push off and drag away from the pitching plate prior to the front foot touching the ground, as long as the pivot foot remains in contact with the ground. Pushing off with the pivot foot from a place other than the pitcher's plate is illegal.
- It is not a step if the pitcher slides her foot in any direction on the pitcher's plate, provided contact is maintained.
 - Techniques such as the "crow hop" and "the leap" are illegal.

SECTION 3

A legal delivery shall be a ball, which is delivered to the batter with an underhand motion.

- A) The release of the ball and the follow through of the hand and wrist must be forward past the vertical line of the body.
- B) The hand shall be below the hip and the wrist not farther from the body than the elbow.
- C) The pitch is completed with a step toward the batter.

SECTION 4

The pitcher may use any wind-up desired providing:

- A) No motion to pitch is made without immediately delivering the ball to the batter.
- B) The pitcher does not use a rocker action in which, after having the ball in both hands in pitcher position, removes one hand from the ball, takes a backward and forward swing and returns the ball to both hands in front of the body.
- C) The pitcher does not use a wind-up in which there is a stop or reversal of the forward motion.
- D) The pitcher does not make more than one revolution of the arm in the windmill pitch. A pitcher may drop the pitching arm to the side and to the rear before starting the windmill motion. The ball does not have to be released the first time past the hip.
- E) The pitcher does not continue to wind-up after taking the forward step, which is simultaneous with the release of the ball.

SECTION 5

The pitcher shall not:

- A) Deliberately drop, roll or bounce the ball while in pitching position in order to prevent the batter from striking it.
- B) At any time during the game it is not allowed to use tape or other substance on the ball, the pitching hand or fingers, nor shall any other player apply a foreign substance to the ball. Under the supervision and control of the umpire, powdered resin may be used to dry the hand. The pitcher shall not wear any item on the pitching hand, wrist, arm or thighs, which may be distracting to the batter. Jewelry is prohibited.

SECTION 6

Once the ball has been returned to the pitcher, she has twenty seconds to release the next pitch.

- Penalty: (SECTION 5 - SECTION 6). Any infraction is an illegal pitch. The batter is awarded a ball, and base runners are awarded one base without liability to be put out.
- If the pitcher completes the delivery of the ball to the batter and the batter hits the ball, the coach of the team at bat shall have the option of the result of the play or the penalty for an illegal pitch. A delayed dead ball will be signaled by the umpire by extending his or her left arm horizontally.

SECTION 7

No pitch shall be declared when:

- A) The pitcher pitches during the suspension of play.
- B) The pitcher attempts a quick return of the ball before the batter has taken position or is off balance as a result of a previous pitch.
- C) The runner is called out for leaving a base too soon.
- D) The pitcher pitches before a base runner has retouched the base occupied after a foul ball has been declared and the ball is dead.
- E) A player, manager or coach calls "Time" or employs any other word or phrase or commits any act while the ball is alive and in play for the obvious purpose of trying to make the pitcher commit an illegal pitch.

SECTION 8

At the beginning of each inning or when a pitcher relieves another, no more than one minute may be used to deliver no more than five balls to the catcher or other teammate.

- Penalty: For excessive warm-up pitches a pitcher shall be penalized by awarding a ball to the batter for each pitch in excess of five.

- SECTION 9** If the ball slips from the pitcher's hand during the back swing, it shall not be a pitch. If the ball slips during the forward motion, a ball is called on the batter. In either case the ball remains in play and runners may advance at their own risk.
- SECTION 10** The pitcher shall not throw to a base while a foot is in contact with the pitcher's plate after having taken the pitching position.
- SECTION 11** Any defensive player, other than the catcher, is in foul territory at the time of the pitch.
- Penalty: For infraction of SECTION10-SECTION11 - Illegal pitch, the ball is dead immediately. A ball is called on the batter and all runners advance one base without liability to be put out.
- SECTION 12** The Catcher shall:
- A) Be inside the lines of the catcher's box when the pitcher takes a position to pitch and when the pitch is released.
 - B) Return the ball directly to the pitcher after each pitch except after a strikeout or putout made by the catcher or to play on a base runner.
- Penalty: For SECTION12A an illegal pitch is called. For SECTION12B the batter is awarded a ball.
 - Intentionally violating the rule in order to walk the batter without pitching shall not result in a ball being awarded the batter.

RULE 12 - BATTING

- SECTION 1** Each player of the team at bat shall become the batter and shall take her position within the batter's box (on either side of home base) in the order in which her name appears in the line-up. This order shall be followed during the entire game except for an entering substitute who takes the replaced player's place in the batting order. A batter is in proper order if she follows the preceding player in the line-up, even though such preceding batter may have batted out of order. An improper batter is considered to be at bat as soon as she enters the batter's box and one pitch has been thrown. When improper batter's infraction is first discovered, time may be requested and the improper batter replaced by a proper batter with the improper batter's ball and strike count still in effect, provided the infraction is detected before the improper batter is put out, or becomes a base runner.
- SECTION 2** After the first inning, the first batter in each inning shall be the player whose name follows that of the last batter who completed her time at bat in the preceding inning.
- SECTION 3** A batter shall not:
- A) Delay the game by failing to promptly take her position in the batter's box within twenty seconds.
 - B) Hit the ball fair or foul while either foot is touching the ground completely outside the batter's box or while touching the plate with any part of a foot.

- C) Interfere with the catcher's fielding or throwing.
- D) Permit a pitched ball to touch her.
- E) Disconcert the pitcher by stepping out of the box on one side of home plate to the box on the other side while the pitcher is in position ready to pitch.

SECTION 4

A strike is charged to the batter when:

- A) A pitched ball enters any part of the strike zone in flight and is not swung at.
- B) A pitched ball is struck at and missed.
- C) A pitched ball becomes a foul when the batter has less than two strikes.
- D) A pitched ball becomes (even on third strike) a foul tip or a foul from an attempted bunt.
- E) A penalty strike is called because of a batter delay.

SECTION 5

A ball is credited to the batter when a pitch is not touched by the bat and is not a strike, when there is an illegal pitch, or for catcher's or pitcher's delay.

SECTION 6

A foul hit or fair hit (which may be a bunt) occurs when a pitch is touched by the bat of the batter who is in her box.

SECTION 7

A batter is out when:

- A) She enters the batter's box with an illegal bat or is discovered using an illegal bat.
- Only the umpire or defense may detect an illegal bat.
- B) A third strike is out regardless of whether a pitch is caught or not. (5th & 6th grade only)
- C) Her foul (other than a foul tip not a third strike) is caught by a fielder or such catch is prevented by a spectator reaching over the enclosed fence.
- D) An attempt to bunt on third strike is a foul.
- E) A third strike is not caught, provided a runner occupies first base at the time of the pitch and not more than one is out – 7 & 8 grade only.
- F) An infield fly is declared when runners occupy at least first and second bases and before two are out.
- G) An offensive player, including runners, or coach interferes with a fielder attempting to field a foul fly ball.
- H) A team is playing with one less than the starting number and her turn to bat is reached.
- I) The ball is hit a second time in fair territory intentionally by a dropped bat.
- If the bat and ball accidentally come in contact with each other a second time in fair territory while the batter is holding the bat in the batter's box, it is a foul ball.
- If the ball hits a bat on the ground in fair territory the batter is not out. The ball remains alive.
- An infielder intentionally drops a fair fly, fair line drive or fair bunt in flight with at least first base occupied and with less than two out.
- Penalty: A batter is out and all runners must return in (A), (C), (D), (G), (I) and (J).
- In (A) runners would not return if they were put out on the play.
- If the bat breaks and is hit by the ball or hits runner or a fielder, no interference

will be called. If a whole bat is thrown and interferes with a defensive player attempting a play, interference will be called.

RULE 13 - BASE RUNNING

- SECTION 1** A batter becomes a runner with the right to attempt to score by advancing to first, second, third and then home plate in the listed order when:
- A) Hitting a fair ball.
 - B) Charged with a third strike. (If the ball is caught the batter is out) (See Sec 2)
 - C) A fourth ball is called by the umpire.
 - D) A pitched ball (legal or illegal) hits the batter, provided the batter does not strike at the ball.
- If the batter makes no effort to avoid being hit; or if the umpire calls the pitched ball a strike, the hitting of the batter is disregarded except that the ball is dead. It is a strike or ball depending on location of the pitch.
 - E) The catcher or any infielder obstructs her. The coach or captain of the team at bat, after being informed by the umpire of the obstruction, shall indicate to the umpire whether she elects to decline the penalty and accept the resulting play. Such election shall be made before the next pitch (legal or illegal) or before the infielders leave the diamond. Obstruction of the batter (before she has become a batter-runner) is ignored if the batter-runner reaches first and all other runners advance at least one base.
- SECTION 2** A batter becomes a base runner when the catcher fails to catch the third strike when there are less than two outs and first base is unoccupied, or anytime there are two outs – 7 & 8 grade only.
- SECTION 3** An advancing runner shall touch first, second, third and then home plate in order.
- A) A returning runner shall retouch the bases in reverse order. When an uncaught foul ball causes the ball to become dead, the runner need not touch intervening bases.
 - B) Any runner who misses a base while advancing may not return to touch the missed base if a following runner has scored.
- SECTION 4** If a batted ball (fair or foul other than a foul tip) is caught, the initial contact of the ball by a fielder releases the runner(s) from the base(s) occupied at the time of the pitch.
- SECTION 5** If a batter-runner is entitled to return to first base after over-running it or if a runner fails to touch home plate and if either such runner desires to return to such base, the runner shall return immediately.
- Penalty (SECTION3- SECTION5): For failure to touch base (advancing or returning), or failure to tag up after a fly ball, the runner is out. This is a delayed penalty if not played upon by the defense during same playing action (live ball). After all playing action has ended, the umpire will indicate time-out to call runner(s) out. During playing action, the runner is out, if before returning to each untouched base, the runner is touched by the ball in the hand of a fielder, or the ball is held by a fielder on that missed base (including home plate). In this instance, the out would be called immediately before time is called. If a base running infraction is the third out, runs scored by the following runner(s) would not count.

With two outs, if the base missed was the first to which the batter or runner was forced to advance, no runs would score. When a runner is legally returning after a long fly ball has been caught, she can be put out by being tagged or by the defense merely touching the base occupied at the time of the pitch.

- SECTION 6** A batter-runner who reaches first base safely and then overruns or overslides may immediately return without liability of being put out provided she does not feint or attempt to advance to second.
- SECTION 7** A runner acquires the right to the proper unoccupied base if the runner touches it before being put out. The runner is then entitled to this base until being put out or until legally touching the next base while it is unoccupied or until a following runner is forced to advance to the base occupied.
- SECTION 8** Each runner shall touch her base after the ball becomes dead. All awarded bases must be touched in their proper order. The runner returns to the base she has reached or passed when the ball became dead. In the event of interference, a runner returns to the base she had legally reached at the time of the interference. If the interference does not cause the batter to be out and any other runner cannot return to the base last legally occupied at the time of the interference, she is advanced to the next base.
- The runner returns to the base occupied at the time of the pitch if her advance was during an uncaught foul.
- SECTION 9** On a base on balls, a batter is entitled to run the same as if she has hit the ball or was advancing due to a dropped third strike. The batter may continue past first base and is entitled to second base as long as she does not stop at first base if the pitcher has possession of the ball on the pitcher's plate or in the vicinity thereof. The defense cannot call time-out to keep a runner from advancing on a base on balls. The runner has the right to advance until the umpire calls time-out.
- SECTION 10** When a base runner is legitimately off base, (moving off a base after a pitch or rounding a base after a hit, walk or dropped third strike), the pitcher is obligated to allow sufficient time for the runner to return; however, once the pitcher has the ball and is ready to pitch, the runner is obligated to move toward the base last touched. After returning to the base, the runner may not move off the base even though the pitcher is standing off the pitcher's plate. Failure of the runner to respond as indicated shall cause the umpire to signal the ball dead, declared no pitch, and rule the runner out.
- SECTION 11** A legal slide is feet first If a runner slides feet first, at least one leg and buttock shall be on the ground. If a runner slides, runner must be within reach of the base with either a hand or a foot when the slide is completed. The runner may dive back to base in a stealing situation.
- SECTION 12** A slide is illegal if:
- A) The runner uses a rolling, cross-body or pop-up slide into the fielder.
 - B) The runner's raised leg is higher than the fielder's knee when the fielder is in a standing position.
 - C) The runner goes beyond the base and makes contact with or alters the play of the fielder.

- D) The runner slashes or kicks the fielder with either leg.
- E) The runner tries to injure the fielder.

SECTION 13

A runner is out when:

- A) Detected maliciously running into a fielder.
- Base runners return to the bases occupied at the time of the infraction unless they scored or were put out before the infraction occurred.
 - B) She does not slide legally or attempt to avoid a fielder who has the ball. Hurdling is prohibited. Stepping over or jumping over the outstretched glove of a fielder holding the ball on or near the ground waiting to make a tag is legal.
 - D) Detected attempting to advance to home plate when the batter interferes with a play at home plate, provided two are not already out.
 - E) Detected running bases in reverse to confuse opponents or to make a travesty of the game.
 - E) On a force play at any base except first base when the runner or returned runner fails to execute a legal slide, or fails to attempt to avoid the play.
 - F) After at least touching first base, the runner leaves the baseline, obviously abandoning her effort to touch the next base.
 - G) Is on or beyond a succeeding base when the ball is declared dead after having left a base too soon on a caught fly ball, or having failed to touch a preceding base, or continues and touches a succeeding base after the ball became dead.
 - H) Not in contact with the base at the time a pitched ball leaves the pitcher's hand. However, if the pitcher does not allow sufficient time for a runner to return to a base, the runner shall not be called out for being off the base before the pitcher releases the ball. The runner may advance as though the base was left legally.
 - I) Running more than three feet away from a direct line between bases to avoid being tagged or to hinder a fielder while the runner is advancing or returning to a base.
- This is not an infraction if a fielder, attempting to field a batted ball, is in the runner's proper path and if the runner runs behind the fielder to avoid interfering.
 - J) Intentionally interfering with a throw or thrown ball.
 - K) Hindering a fielder's initial or subsequent attempt to field a batted ball.
 - L) Being put out is prevented by an illegal act by anyone connected with the team.
 - M) Touched by a live ball securely held by a fielder or is touched by a fielder's glove or hand with the live ball held therein, while the runner is not touching base.

If a batter-runner safely touches first base and then overslides or overruns it, the batter-runner may immediately return to first base without liability of being tagged out, provided there was no feint or attempt to advance to second. Also, if any base comes loose from its fastening when any runner contacts it, such runner cannot be tagged out because the base slides away from the runner.

- SECTION 11** Batting out of turn
- A) A batter shall be called out, on appeal, when failing to bat in the proper turn, and another batter completes a time at bat in the proper batter's place.
- B) When an improper batter becomes a runner or is put out, and the defensive team appeals to the umpire before the first pitch to the next batter of either team or before any play or attempted play, the umpire shall declare the proper batter out and nullify any advance or score made because of a ball batted by the improper batter or because of the improper batter's advance to first base on a hit, an error, a base on balls, a hit batter, or otherwise.
