Quotes from the 2017 Night of Hope Lourdes Pilgrimage winners:

"The Pilgrimage to Lourdes was beyond my expectations, I had many beautiful spiritual experiences. Celebrating sunrise Mass with Father Fred and Father Kevin presiding at the Shrine to Our Lady of Lourdes was by far, for me, the most special moment. Being in prayer at the Shrine to Our Lady of Lourdes helped me to draw closer to Our Lady and experience Heavenly Fathers merciful Love.

This was a powerful experience, a spiritual journey and a true Blessing. I am so grateful that I was able to be a part of this pilgrimage with the Xavier High School students, faculty, and staff. This truly was a spiritual growth and life-changing experience for me."

Carmen Lopez

"I would recommend any who wants a deeper connection to the heart of our Catholic faith, to participate in the Pilgrimage to Lourdes. Witnessing so many Catholics come from all over the world to celebrate Holy Week together was wondrous. The feeling of community during Mass, sharing our faith with thousands of people from different countries, languages and cultures but still connecting over our love of Jesus is an experience like no other. You will have moments of real intimacy with our faith as well. Sister Joanie provides a unique and special trip to Lourdes, from the food, Stations of the Cross, the Waters at the Grotto, and the Rosary Procession.
