“Everybody should be involved and concerned about supporting our Catholic schools and all of the efforts of Catholic Education Arizona. All we are asking is that those tax dollars get redirected back to our Catholic Schools. Everybody can participate!”

~ Bishop Eduardo Nevares

Catholic Education Arizona is an IRS 501(c)(3) nonprofit charitable organization and has never accepted gifts designated for individuals. Per state law, a school tuition organization cannot award, restrict or reserve scholarships solely on the basis of donor recommendation. A taxpayer may not claim a tax credit if the taxpayer agrees to swap donations with another taxpayer to benefit either taxpayer's own dependent.
